LICENCE INFORMATION

SECURITY AGENT (SA)

This licence authorises you to supply the services of the following non-agent licences:

- (a) Security Officers
- (b) Security Installers
- (c) Security Consultants
- (d) Security Bodyguards
- (e) Security Monitoring Officers

It does not allow you to perform the duties of any of the non-agent licences listed above unless you also hold those licences.

You must carry the identification card issued to you at all times whilst performing licensed duties.

Your business is required to hold adequate public liability insurance.

You are required to email the Licensing Officer, at the following email address, every time a licensed employee commences or ceases to be employed in your business:
security.employees@police.wa.gov.au

Sub-contractors are not employees of your business and must have their own Agent's licence.
